	Activity	Year 1				Year 2				Year 3			
		Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4
	Certificate of Authority												
1	Acquisition of Endorsement and Provisional Permits												
2	Table-top assessment and review												
3	Reconnaissance Geology and Geochemistry Surveys												
4	2G Surveys and Assessments												
5	Geophysical Surveys and Assessments												
6	Remote Sensing Surveys (i.e. LiDAR)												
7	Initial Pre-Feasibility Study												
8	Infill and Refinement Surveys												
9	Identification and Acquisition of Permits for drilling preparations												
10	Final Pre-Feasibility Studies and Preliminary Drilling Targets												

		Year 1				Year 2				Year 3				Year 4				Year 5			
	GSC Pre-Development Term	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4
1	Complete GSC Application and acquisition of necessary permits and endorsements																				
2	Exploration Drilling																				
	Drilling civil works and procurement of long lead items																				
	Exploration well drilling and testing																				
	Update of Resource Assessment																				
3	Appraisal Drilling																				
	Drilling civil works and procurement of long lead items																				
	Appraisal well drilling and testing																				
	Update of Resource Assessment																				
4	Enviromental Impact Assessment																				
5	Other Permits and Clearances																				
6	Off-take/Market Negotiations																				
7	System/Grid Impact Study																				
8	Secure Financing																				
9	Feasibility Study																				
10	Tender for EPC Contracts																				
11	Declaration of Commerciality
