## **ELECTRIC VEHICLE CHARGING STATIONS (EVCS) POLICY GUIDELINES**

**ADVISORY**  
29 JUNE 2022

**On Compliance with *Department Circular No. DC2021-07-0023***  
**Re: EVCS Policy Framework Guidelines**

---

The Department of Energy (DOE) hereby reiterates the **compliance** of all EVCS stakeholders in the Philippines – entities engaged in the development, establishment, and operation of EVCS pursuant to the pertinent provisions of DC2021-07-0023 as follows:

- 1. NOTICE PRIOR TO ENGAGEMENT IN ALL FORMS OF EVCS ACTIVITIES. *All EVCS Operators are mandated to be duly registered to the DOE prior to its operation and commercialization.*** Those EVCS that are already operating are required to register based on the requirements identified under Section 4 of DC2021-07-0023 and shall ensure the integrity and sustainability in the operation of the charging stations;
- 2. LABELING AND MARKING REQUIREMENTS.** All EVCS Operators are required to provide visible energy labels and marking on the establishment. The labels and marking shall include information enumerated in Section 9 of DC2021-07-0023; and
- 3. SUBMISSION OF REPORTS.** Operating EVCS shall comply with the submission of the monitoring reports stated in Section 11 – Reportorial Requirements of DC2021-07-0023 and shall submit this to the Energy Utilization Management Bureau (EUMB). The online application portal for EVCS Operators can be accessed through this link: [https://bit.ly/Application\\_EVCS](https://bit.ly/Application_EVCS)

All clarifications or request for assistance in the compliance reiterated in the Advisory may be coursed through [doe.eumb@gmail.com](mailto:doe.eumb@gmail.com) and telephone number (02) 8840 2289.

We look forward to your compliance in our collective pursuit to further advance the electric vehicles industry in the country.

Thank you.

  
**PATRICK T. AQUINO, CESO III**  
Director IV  
Energy Utilization Management Bureau
