

Republic of the Philippines  
**DEPARTMENT OF ENERGY**  
ENERGY RESEARCH AND TESTING LABORATORY SERVICES

11 January 2022

**LATL Advisory No. 02, s. 2022**

To all clients and stakeholders:

This is to inform you of the following changes on the services provided by the Lighting and Appliance Testing Laboratory (LATL). Please check the details below:

Service	Delivery of the following LATL services: <ul style="list-style-type: none"><li>• Evaluation of Endorsed Test Reports from Other Laboratory</li><li>• Validation of Energy Labels</li></ul>
Affected Clients and Stakeholders	All clients availing the above LATL services
Nature of Change	<p>With the launching of the Philippine Energy Labeling Program (PELP) Online Registration System for various household appliances on 10 January 2022, LATL will no longer accept and process requests related to the above-mentioned services.</p> <p>Clients who wish to submit requests for validation of energy labels are directed to transact their businesses and submit the necessary documents and/or certification to the Energy Efficiency and Conservation Performance Regulation and Enforcement Division (EPRED) of the DOE Energy Utilization Management Division (DOE-EUMB).</p> <p>Other laboratories who wish to submit results of energy performance testing in accordance with PNS 396-1 and -2 are directed to submit the reports to EPRED for appropriate actions.</p> <p>All requests for services mentioned above that are still pending with LATL will be endorsed properly to EPRED for appropriate action. Rest assured that this transition will not hamper the delivery of timely and quality service to our clients and stakeholders.</p>
Effectivity Date	10 January 2022
Duration of Change	Not applicable
Other information	<ul style="list-style-type: none"><li>• PELP Advisory – Launching of PELP Online Product Registration System for Air Conditioners, Refrigerating Appliances, and Television Sets on 03 January 2022 will be moved to 10 January 2022 - <a href="#">Launching of PELP Online Product Registration System for Air conditioners, Refrigerating Appliances, and Television Sets on 03 January 2022 will be moved to 10 January 2022   Department of Energy Philippines (doe.gov.ph)</a></li></ul>
