2.2. The Procuring Entity is allowed to determine the terms of payment on the partial or staggered delivery of the Goods procured, provided such partial payment shall correspond to the value of the goods delivered and accepted in accordance with prevailing accounting and auditing rules and regulations. The terms of payment are indicated in the **SCC**.

3. **Performance Security**

Within ten (10) calendar days from receipt of the Notice of Award by the Bidder from the Procuring Entity but in no case later than prior to the signing of the Contract by both parties, the successful Bidder shall furnish the performance security in any of the forms prescribed in Section 39 of the 2016 revised IRR of RA No. 9184

4. **Inspection and Tests**

The Procuring Entity or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Project specifications at no extra cost to the Procuring Entity in accordance with the Generic Procurement Manual. In addition to tests in the **SCC, Section IV (Technical Specifications)** shall specify what inspections and/or tests the Procuring Entity requires, and where they are to be conducted. The Procuring Entity shall notify the Supplier in writing, in a timely manner, of the identity of any representatives retained for these purposes.

All reasonable facilities and assistance for the inspection and testing of Goods, including access to drawings and production data, shall be provided by the Supplier to the authorized inspectors at no charge to the Procuring Entity.

5. Warranty

5.1 In order to assure that manufacturing defects shall be corrected by the Supplier, a warranty shall be required from the Supplier as provided under Section 62.1 of the 2016 revised IRR of RA No. 9184.

5.2 The Procuring Entity shall promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall, repair or replace the defective Goods or parts thereof without cost to the Procuring Entity, pursuant to the Generic Procurement Manual.

6. Liability of the Supplier

The Supplier's liability under this Contract shall be as provided by the laws of the Republic of the Philippines.

If the Supplier is a joint venture, all partners to the joint venture shall be jointly and severally liable to the Procuring Entity.

Section V. Special Conditions of Contract

Project Objectives</p> <p>Enhance Communication: Equip the conference rooms with high-quality audio and video systems to facilitate clear and effective communication during meetings, presentations, and conferences.</p> <p>Improve Efficiency: Streamline meeting processes with reliable and easy-to-use AV equipment, reducing setup time and technical difficulties.</p> <p>Professional Experience: Create a professional environment for presentations and meetings, enhancing the company's image and ensuring a positive impression on clients and partners.</p> <p>3. Current State</p> <p>a. Lack of Current AV System</p> <ul style="list-style-type: none"> ○ No AV systems leading to inefficiency of collaboration both internal and external stakeholders. ○ Poor quality of communication affecting the overall experience of remote participants. ○ Lack modern communication platforms. <p>b. Increased Demand for Virtual Meetings:</p> <ul style="list-style-type: none"> ○ With the rise of remote work and global collaborations, there is a growing need for high-quality AV systems that support virtual meetings and video conferencing. <p>c. Client and Stakeholder Expectations:</p>			

- Modern, reliable AV equipment is essential to meet the expectations of clients, partners, and stakeholders who participate in meetings and presentations.

4. Proposed Deliverables

a) Audio Systems:

- Install high-fidelity microphones and speakers to ensure clear audio transmission and reception.
- Incorporate noise-cancellation technology to minimize background noise.

b) Video Systems:

- Upgrade to high-definition cameras for crystal-clear video quality.
- Implement large, high-resolution displays for better visibility and engagement.

c) Integration and Control:

- Integrate AV systems with existing communication platforms such as Zoom, Microsoft Teams, and Google Meet.
- Install centralized control systems for easy management of AV equipment.

d) Wireless Connectivity:

- Implement wireless presentation solutions to eliminate the need for cables and facilitate smooth transitions between different presenters.

e) Installation and Warranty

- Implement Audio Visual Installation to the 3 conference rooms of Financial Services (Director's Conference Room, Budget Conference Room, Conventional Energy Resources Compliance Division Conference Room)

5. Project Benefits

a) Improved Meeting Quality:

- Enhanced audio and video quality will lead to more productive and engaging meetings.
- Reduced technical issues will minimize disruptions and save time.

b) Enhanced Collaboration:

- Better AV systems will support seamless collaboration between in-person and remote participants.
- Improved clarity and visibility will ensure all participants are fully engaged and can contribute effectively.

c) Professional Image:

- Modern, high-quality AV equipment will create a professional environment that impresses clients and partners.
- A well-equipped conference room reflects the company's commitment to quality and innovation.

d) Cost Savings:

- Investing in reliable AV equipment will reduce the need for frequent repairs and replacements.
- Efficient AV systems will save time and increase productivity, leading to long-term cost savings.

6. Project Justification

Procuring advanced audio-visual equipment for the three conference rooms is a strategic investment that will significantly improve communication, collaboration, and the overall meeting experience. By addressing the current limitations and meeting the growing demands for virtual and hybrid meetings, this project will enhance the company's professional image and operational efficiency.
