Authorization Letter from the Manufacturer
2.Preventive Maintenance of Alcor MCRT-160 Micro Carbon Residue SN:09E-1617 / PN:LE-EQ-09-8051 unit20,000.00
TERMS OF REFERENCE
I. SCOPE OF WORK:
Checking of the instrument & accessories
Checking of damages
<ul> <li>Checking of exhaust system for blockage</li> <li>Cleaning of internal piping of exhaust</li> </ul>
<ul> <li>Cleaning of internal piping of exhaust</li> <li>Checking &amp; cleaning of glass trap jar</li> </ul>
<ul> <li>Checking &amp; cleaning of glass trap o-ring</li> </ul>
Checking & cleaning of control terminal block
Checking & cleaning of lid cover seal
Checking & adjustment of seal position & sitting     Checking of Nitrogen gas tubing for lookage or
<ul> <li>Checking of Nitrogen gas tubing for leakage or damages</li> </ul>
Checking ventilator & cooling fan
Checking of relay operation for voltage leakage
Checking of relay input voltage
<ul> <li>Checking of 24 volts power supply output</li> <li>Checking of heater voltage</li> </ul>
Adjustment of nitrogen supply pressure
Overall machine functional testing
II. TERMS AND CONDITIONS:
1. The prices quoted should be firm and irrevocable and
not subject to any change whatsoever.

	parts/materials to GRFTLD-DOE such as freight,		
	brokerage, duties and taxes related to the payment of service.		
	3. The service contractor shall provide competent and		
	professional service personnel with the right tools for		
	the preventive maintenance and servicing of the		
	equipment.		
	4. The service contractor must include in its submission a proof that they are the authorize provider for the sales,		
	aftersales support, calibration and maintenance of said		
	equipment.		
	5. The service contractor shall provide service reports		
	which will contain the condition of the machine based on		
	the manufacturer's specifications. Reference standard will be used to check the equipment's performance. The		
	equipment will be turned over to the end user after		
	signing the acceptance report.		
	6. Maintenance shall be carried out during the company's		
	normal business hours, or at such other times as agreed		
	upon between the service contractor and the end user.		
	<ol> <li>No amount shall be charged to the customer if the unit is not repaired due to unavailability of part/s.</li> </ol>		
	8. One hundred percent (100 %) of contract price will be		
	released only upon satisfactory completion of		
	preventive maintenance/repair and commissioning of		
	the equipment and acceptance from the end-user.		
	9. DOE shall not provide any		
	accommodation/transportation for the engineers/ representatives for attending the preventive		
	maintenance and servicing of the equipment.		
	10. Delivery of Service: Job completion within sixty (60)		
	days upon receipt of Job Order/Purchase Order.		
	11. The successful bidder shall conform to the service		
	needed based on the TOR indicated herewith. 12. The successful bidder shall provide the following		
	additional requirements:
