

NOTICE OF AUCTION

Pursuant to Department Circular (DC) No. DC2023-10-0029, titled “*Providing Specific Auction Policy and Guidelines for Non-FIT-Eligible Renewable Energy Technologies in the Green Energy Auction Program*”, the Department of Energy (DOE) through the Green Energy Auction Committee (GEAC), invites all Qualified Suppliers¹ to participate in the Third Green Energy Auction (GEA-3) for Renewable Energy (RE) Technologies. GEA-3 shall cover the following Non-FIT-Eligible Resources with corresponding delivery year:

| RE Resource/ Technology | Delivery Year | Installation Target in MW |
|---------------------------|---------------|---------------------------|
| Geothermal | 2025-2027 | 100 |
| Impounding Hydropower | 2028-2030 | 300 |
| Pumped-storage Hydropower | 2028-2032 | 4,000 |

In addition, GEA-3 shall include run-of-river (ROR) hydropower projects pursuant to DC No. DC2021-11-0036, titled “*Providing the Revised Guidelines for the Green Energy Auction Program in the Philippines*”. Below is the ROR installation target:

| RE Resource/ Technology | Delivery Year | Installation Target in MW |
|-------------------------|---------------|---------------------------|
| Run-of-River | 2027-2029 | 75 |

The following is the prescribed timeline for the procurement activities:

[Note: In the table below, a timeline with notation “” is understood to cover Working Day/s.-The timeline for each activity is expressed as “+ n” while “Dn” is the date on which the timeline is reckoned and shall not be counted against the number of days allotted for each activity.]*

| Activities | Timeline (D=Day) |
