

OATH OF SUPPORT

I (STATE YOUR NAME) do solemnly pledge to support the development of the Upstream Conventional Energy Resources which is one of the drivers for wealth generation of our country, as well as the provider of economic prosperity to my countrymen. I pledge to work with due regard to the environment, safety, health and the well-being of the communities that I will work with. I pledge to contribute towards the realization of “Ambisyon Natin 2040”. So help me God.
