- a) **Delay in Accomplishment of Work Obligations.** If the **RE DEVELOPER** has fully expended its financial commitment in a given Contract Year to undertake the activities under the Work Program but some of the work obligations remain unaccomplished for justifiable reasons, the **DEPARTMENT** shall have no recourse against the performance bond or other guarantee, and the **RE DEVELOPER** shall not be required to post another bond or other guarantee for the remaining work obligations: *Provided*, That the budgetary estimate for the activities needed to accomplish such remaining work obligations shall form part of the financial commitment/budgetary estimate for the immediately succeeding Contract Year, and shall be accounted for in computing the amount of the performance bond or other guarantee for the immediately succeeding Contract Year under a revised Work Program: *Provided, finally*, That if the delay is not justifiable, the **DEPARTMENT** shall call the performance bond or other guarantee;
 - b) **Accomplishment of Work Obligations Ahead of Timeline.** If the work obligations in a Contract Year are accomplished prior to the end of such Contract Year, the **DEPARTMENT** shall release the bond or other guarantee for that Contract Year upon the request of the **RE DEVELOPER** and after due validation of such accomplishment. Thereafter, the **RE DEVELOPER** may immediately undertake any activities that are scheduled for the succeeding Contract Year without need for (i) prior revision of the Work Program, and (ii) posting of another bond or other guarantee: *Provided, however*, That thirty (30) calendar days before the end of the Contract Year, the **RE DEVELOPER** shall submit a revised Work Program for the remaining work obligations, with financial commitment per Contract Year; and
 - c) Such other conditions or circumstances as would reasonably warrant the modification of the amount of the performance bond or other guarantee.
- 12.5 If the **RE DEVELOPER**, through its own fault, fails to observe or perform its work obligations under the Work Program, the **DEPARTMENT**, upon prior written notice, may proceed against the performance bond or other guarantee: *Provided*, That should the work obligations under the Work Program be fulfilled, and through the efficiency of the **RE DEVELOPER**, the corresponding actual expenditures thereon are lower than the estimated expenditures stated in the Work Program, the same shall be considered as full compliance of the work obligations.
- 12.6 A valid and subsisting performance bond is required to be maintained annually until the **RE DEVELOPER** submits a duly executed Engineering, Procurement and Construction (“EPC”) contract and for ninety (90) calendar days from the last day of validity of the performance bond, for the **DEPARTMENT’s** evaluation and validation and posting of performance bond, if necessary.

- 12.7 The obligation to post the performance bond or other guarantee shall cease upon the lapse of the ninety (90)-day period: *Provided*, That the **DEPARTMENT** shall audit the performance of the **RE DEVELOPER** after two (2) years from the submission of the EPC contract: *Provided, further*, That if the **RE DEVELOPER** incurs unreasonable delay in undertaking the construction activities per approved Work Program for an aggregate period of one (1) year within such period, the **DEPARTMENT** shall cancel the RE Contract unless the **RE DEVELOPER** posts a performance bond equivalent to thirty percent (30%) of the cost of the financial commitment for the applicable Contract Year: *Provided, finally*, That the budgetary estimate for the activities that were not completed shall form part of the financial commitment for such Contract Year and shall be accounted for in computing the amount of the performance bond or other guarantee for such Contract Year.

(Note: The amount for signature fee/bonus shall be based on the proposed installed capacity of the Project at the rate of Php5.00/kW).

 - h) The Party whose ability to perform its obligations under the RE Contract is so affected shall, within ten (10) calendar days from actual or constructive notice of the Force Majeure, notify the other Party thereof in writing stating the cause and such affected Party shall do all reasonably within its power to remove such cause.

Failure to give notice within ten (10) calendar days from cessation shall be deemed a relinquishment of the RE Contract.
 - e) If the **RE DEVELOPER** intends to resume operations, it shall submit a request to resume Solar Energy Operations together with the notice abovementioned. After due evaluation and if warranted, the request shall be endorsed to the Secretary for approval.
 - f) The **RE DEVELOPER** may only avail of the above suspension of RE Contract once during its term.
