

16 July 2024

NOTICE TO STAKEHOLDERS

Please be notified that **ISO 8217:2024 Products from petroleum, synthetic and renewable sources — Fuels (class F) — Specifications of marine fuels** published by the International Organization for Standardization (ISO) is recommended for adoption as Philippine National Standards (PNS).

The adoption of international standards as Philippine National Standards (PNS) is in line with good standardization practice and is consistent with the Philippines' commitment to the World Trade Organization Technical Barriers to Trade (WTO TBT) agreement. Likewise, this will facilitate immediate access to international standards by the local companies, industries, academe, consumers, testing/research institutions, professional associations, and other stakeholders.

Please be informed that the read-only copy of the standard is available at [ISO 8217 2024 WM.pdf](#). To request for access, kindly accomplish the attached Access Request Form and submit it to bps.sdd@dti.gov.ph copy myramagabilin@dti.gov.ph.

We will appreciate it if you can share this information to other stakeholders within your purview. Comments, inputs, or other concerns pertaining to the intent/recommendation to adopt the standards may be sent thru email to bps.sdd@dti.gov.ph on or before **24 September 2024**.

Finally, please be advised that official copies of promulgated Philippine National Standards (PNS) are available at the BPS Standards Data Center with contact details below:

BPS Standards Data Center
3rd Floor Trade and Industry Building
361 Sen. Gil Puyat Ave., Makati City
Email: bps@dti.gov.ph; standardsdatacenterbps@dti.gov.ph

Thank you.

Sincerely,

FERDINAND L. MANFOSTE
Officer-in-Charge
