

BIDDING
CONTRACT CAPACITY OF 1,800 MW (NET), COD 2024-2025

BID BULLETIN NO. 6

To all Interested Bidders:

1. In relation to Bid Bulletin No. 5, where the amended Annex TP-1 (Technical Proposal (Nominated Power Plant)) of the Instructions to Prospective Bidders (dated 1 October 2020) was released, an inadvertent editing error was belatedly discovered. A revised version of the amended Annex TP-1 (Technical Proposal (Nominated Power Plant)) is set in **ANNEX A.**
2. In relation to Bid Bulletin Nos. 1 and 3 (where the formula-viewable initial version of the Financial Evaluation Workbook and a corresponding set of test values were released to the bidders for study and review), a formula-viewable **final version** of the Financial Evaluation Workbook containing the official and latest available actual assumptions and price indices (Base PH CPI and its annual escalation, Base US CPI and its annual escalation, and Forex and its annual escalation), including another soft copy file containing a set of test values and expected output of the seven (7) worksheets of the final Financial Evaluation Workbook, shall now be released in your respective cloud-based folders containing the Bidding Documents.

Issued on 15 January 2021.
