INVITATION TO BID

I. BACKGROUND OF CLARK ELECTRIC DISTRIBUTION CORPORATION (CEDC) POWER REQUIREMENT

In compliance with the Department of Energy (DOE) Department Circular No. 2018-02-0003 on Competitive Selection Process (CSP), the CEDC, through its Third-Party Bids and Awards Committee (TPBAC), is conducting a CSP for the procurement of 20 MW (baseload) of contract capacity to be supplied for a term of ten (10) years commencing on December 26, 2020. The CSP is conducted to seek the most advantageous price and contract terms for the supply of 20 MW to CEDC's franchise area for the period 2021 to 2030.

II. INTERESTED POWER GENERATORS

Power generators interested to participate in this CSP may acquire the Bidding Documents from August 21, 2020 until September 11, 2020, upon payment of a non-refundable Participation Fee in the amount of Php 75,000 (inclusive of VAT and net of creditable withholding tax). In addition, interested participants will be required to submit the accomplished Expression of Interest and Confidentiality Undertaking in the form and substance made available on CEDC's website.

Only the power generators who comply with the above-mentioned requirement shall be allowed to participate in this CSP and be issued the Bidding Documents.

In light of the imposition of ECQ/MECQ/GCQ and the continuous need to comply with social distancing requirements and other public health measures in the receiving, processing and submission of documents:

- The payment shall be made electronically or thru bank transfers.
- Submission of expression of interest and confidentiality undertaking shall be submitted via email and hard copies (to follow) which will be sent thru courier.
- Issuance of bidding documents shall as well be provided electronically to bidders.
