Subject : Rescheduling of activities of NEECO II-AREA 1's Competitive Power Supply Procurement

Dear Sir :

This refers to the rescheduling of activities for the Competitive Selection Process of NEECO II-Area 1 for its Competitive Power Supply Procurement for the Supply of Full Energy Requirements/Baseload and Intermediate Demand for a term of sixty (60) months commencing the period from December 26, 2020 to December 25, 2025.

Since the initial schedule of activities for the subject CSP is deferred due to the extension of Enhanced Community Quarantine (ECQ) for the entire Luzon, some adjustments on the initial schedule were made, and these are as follows:

April 20, 2020 – Pre - bid conference (via video conference)
April 23, 2020 – Posting of Bid Bulletin
April 30, 2020 – Bid Opening (via video conference)

Also, bidders who purchased bidding documents are encouraged to email queries with regards to the bidding documents until April 15, 2020 as advised last March 24, 2020. Such queries will be addressed by the TPBAC during the pre-bid conference. Invitation and/or password for video conference will be sent via email to all qualified bidders prior to the scheduled activity.

Favorable action on this matter will be highly appreciated.

Our best regards.

Very truly yours,

Ms. Edna Libunao
TPBAC Chair
