

## Department Circular 2000-05-008

### REVISED SCHEDULE OF PENALTIES IN THE LPG INDUSTRY OF 2000

**WHEREAS**, Batas Pambansa Blg. 33, as amended by P.D. 865 defined certain prohibited acts inimical to the public interest and national security involving petroleum and/or petroleum products, prescribing penalties therefore and for other purposes;

**WHEREAS**, in 1983, the Bureau of Energy Utilization of the then Ministry of Energy issued rules and regulations on the implementation of Batas Pambansa Blg. 33, as amended by P.D. 1865;

**WHEREAS**, Section 15 of Republic Act No. 8479 provides for additional powers for the DOE Secretary which may readily be availed of to deter, restrain, and/or penalize any and all illegal, irregular, and anomalous business practice or activity, with the end in view of cultivating and instilling discipline, honesty, and fair trade practices in the consciousness of each and every player in all levels of the downstream oil industry;

**WHEREAS**, the recent development in the downstream oil industry more particularly the transition and shift from regulation to deregulation, the entry of new players in the industry, the growing concerns of the costumers, relative to unfair trade practices, and the pressing need for government to protect and safeguard public interest has made it imperative for the Department of Energy (DOE) to draw and formulate a new set of penalties for the various offenses relative to the LPG industry as outlined in the Implementing Rules And Regulations (IRR) of Batas Pambansa Bilang 33, as amended by Presidential Decree No. 1865.

**WHEREFORE**, premises considered, the foregoing schedule of penalties shall complement said IRR and is hereby adopted for implementation subject to the pertinent provisions on procedures prescribed in the latter.
